

# ATOM

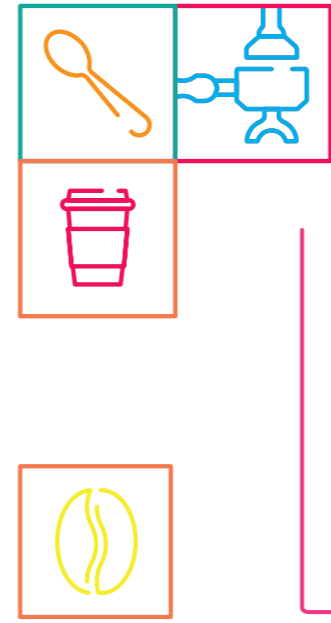

SPECIAL EDITION  
E1PRIMA

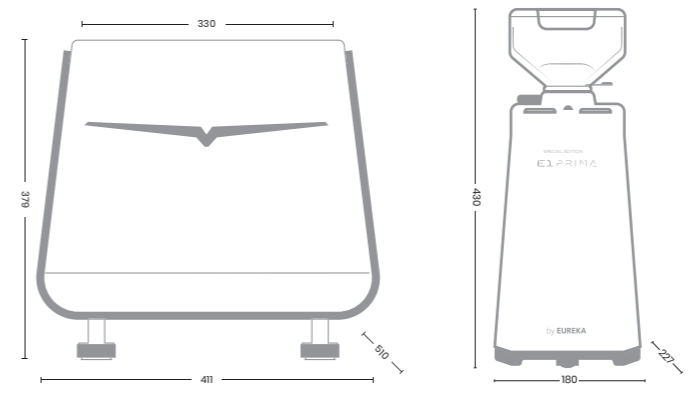

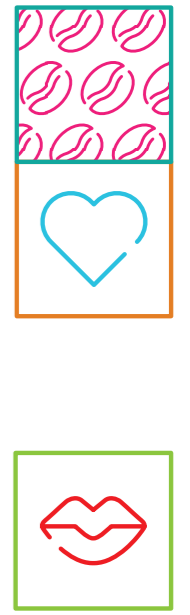

EAGLE ONE PRIMA | ATOM SPECIAL EDITION

**Designed for those** seeking details and uniqueness.  
**Designed for those** seeking objects that will elevate any location.  
**Designed for those** seeking the full coffee experience.

**Prima** is available in combination with a special edition of the **Atom by Eureka**, sharing the same colour palette of the coffee machine. That's how the simple act of enjoying the perfect cup of coffee or the perfect design object for your spaces, makes your coffee experience a true moment of beauty.
